

BITLESS INC PERMITTED BIT LIST

Bitless Inc does not encourage the use of bits on any horse, at any time. However, to assist those Members and Guests who are in the process of transitioning away from bits, or using bits only to meet competition rules, Bitless Inc permits the following:

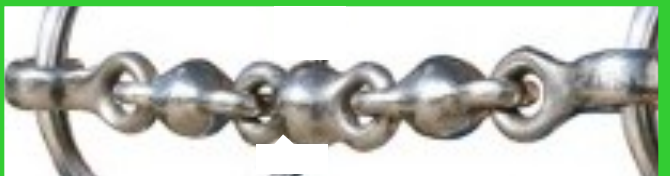

Permitted bits are correctly fitted, single rein snaffles (no leverage).

Mouthpieces may be straight bar, mullen mouth, single, double or multi jointed, without twists, barbs, players or other protrusions.

Rings may be loose, eggbutt, dee with half or full cheeks. No separate bridle and rein rings or other leverage settings.

Shanks, gags, curb chains/straps, and multiple bits are not permitted.
