

**SHOWJUMPING Liberty/In Hand** You may choose the height of the jumps to suit your horse. Correct technique is more important than speed, trotting over the jumps will lose points. Each jump is scored out of 10 - 5 points for successfully clearing each jump, and 5 points for horsemanship. Horses may be in a halter with a lead rope, a neck rope or at liberty. Lead ropes must remain loose throughout. Whips/sticks are not permitted.
